Dear Commissioner:

In response to the enclosed Notification dated March 19, 2009, Applicants submit herewith another copy of the literal English translation of the application as filed in the International Office which was previously submitted on December 23, 2005 as indicated in the attached return postcard indicating receipt by the PCT/PTO on that date and as evidenced by the September 25, 2006 Notice of Acceptance of Application under 35 U.S.C. 371 and 371 C.F.R. 1.495.

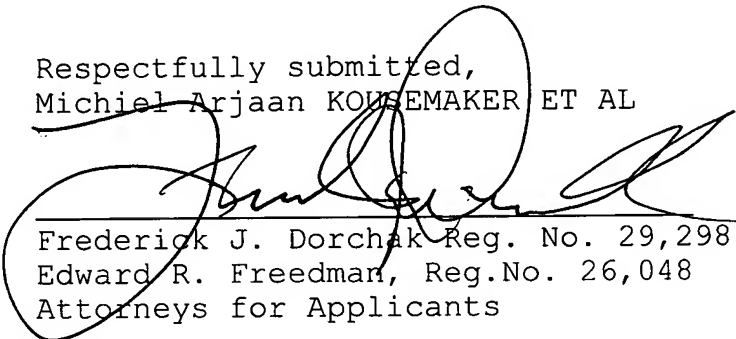

As the literal English translation was submitted with the application on December 23, 2005, it is believed that the Notice of Acceptance issued September 25, 2006 should not have been vacated and that the processing fee of \$130.00 under 37

C.F.R. 1.492(f) for submitting a translation of the application later than thirty months from the priority date should not be required; however, if a fee should be due, the Commissioner for Patents is hereby authorized to charge any such fee, or to credit any overpayment, to Deposit Account No. 03-2468.

Reinstatement of the Notice of Acceptance issued September 25, 2006 and acceptance of the application under 35 U.S.C. 371 and 37 C.F.R. 1.495 are respectfully requested.

Respectfully submitted,

This application is before the Office of PCT Legal Affairs for consideration of matters arising under 35 U.S.C. 371.

BACKGROUND

On 13 May 2004, applicants filed international application PCT/DE2004/000999 which claimed a priority date of 24 June 2003 and designated the United States. A copy of the international application was communicated to the United States Patent and Trademark Office from the International Bureau on 03 February 2005. The thirty-month period for paying the basic national fee in the United States expired at midnight on 27 December 2005 (24 December 2005 being a Saturday and 26 December 2005 being a Federal holiday).

On 23 December 2005, applicants filed a transmittal letter for entry into the national stage in the United States, which was accompanied by, *inter alia*, the basic national fee.

On 08 September 2006, applicants filed a declaration of inventors.

On 25 September 2006, the DO/EO/US issued a NOTICE OF ACCEPTANCE OF APPLICATION UNDER 35 U.S.C. 371 AND 37 CFR 1.495 (Form PCT/DO/EO/903) according to the application a 35 U.S.C. 371(c)(1), (c)(2), and (c)(4) date of 08 September 2006 and a 35 U.S.C. 371 date of 08 September 2006.

DISCUSSION

The electronic file wrapper does not include an English translation of the international application as filed. Accordingly, the requirements of 35 U.S.C. 371(c) for entry into the

national stage in the United States of America were not completed as of the 371 dates indicated in the NOTIFICATION OF ACCEPTANCE mailed 25 September 2006. The 25 September 2006 NOTIFICATION OF ACCEPTANCE is hereby VACATED.

CONCLUSION

The NOTIFICATION OF ACCEPTANCE issued 25 September 2006 is VACATED.

Applicants are required to file a translation of the international application as filed into English, and the processing fee of \$130 under 37 CFR 1.492(f) for submitting a translation of the application later than thirty months from the priority date within a time limit of **TWO (2) MONTHS** from the date of mailing of this decision. Extensions of time may be obtained under 37 CFR 1.136(a).

Failure to timely file a proper response to this decision in a timely manner will result in abandonment of the application with regards to national stage prosecution in the United States.

Any further correspondence with respect to this matter may be filed electronically via EFS-Web or if mailed should be addressed to Mail Stop PCT, Commissioner for Patents, Office of PCT Legal Administration, P.O. Box 1450, Alexandria, Virginia 22313-1450, with the contents of the letter marked to the attention of the Office of PCT Legal Administration.
